If necessary, make additional copies of this blank Medication Form in order to provide requested information for each medication. All Medication Release/Administration Forms and medication(s) to be administered should **be given to** the church Contact Person prior to arriving at TPCC. When the church group arrives at camp, the Contact Person will be responsible for bringing all medications and forms to the TPCC Office. The Forms will be reviewed by our Medical Staff to clear up any possible questions about medications or their administration. To make it easier for the church Contact Person, **the parent/or student should put their medications and signed Medication Administration Authorization forms in a zip-lock type plastic bag with the student's name and church written with a marker on the outside of the bag.** Parents should emphasize to their child(ren) the responsibility of reporting to the camp Health Center for their medications while at camp.
